

## How does it work?

Complete the accompanying membership application, specifying your wine and payment preferences. There is no cost to join and you may cancel at any time after your first shipment. Your 20% discount on wine and other member benefits will be activated with your first shipment.

Every two months thereafter you will receive a shipment of wines reflecting the preferences you expressed at signup. Your credit card will automatically be charged prior to shipment.

## Important Information

Please be aware that not all states allow direct shipments of wine to residents. We can currently offer delivery only to members with shipping addresses in VA, DC, OH, IL, MN, FL, NM or CA. Residents of other states may opt for pickup.

Members are responsible for all shipping charges, including charges for shipments that are refused, returned, or delivered to an old address. All shipments require an adult signature for delivery.

Members in good standing will receive complimentary wine tastings for the listed member and one guest. A maximum of two tasting fees will be waived per visit.

A \$20 administrative fee will be charged for any memberships cancelled prior to receipt of an initial shipment.

Email notification will be sent on the second or third Monday of each shipping month (8<sup>th</sup> to 15<sup>th</sup>). Any requests for changes or cancellation must be received by 2 pm on the following Friday. Credit cards will be charged the following Saturday and wine will be available for pickup at that time. Shipments will be sent the following Monday. As shipping notification is sent solely via email, please make sure that messages from [wineclub@piedmontvineyards.com](mailto:wineclub@piedmontvineyards.com) make it through your filters.
